

We would like to take this opportunity to introduce ourselves as the new owners of TopX North Burnett, and the Eidsvold Saleyards....

We, Robert & Trish Bygrave, took over from Brett and Jocelyn Miller at the end of the 2017 financial year. We have lived in the North Burnett area all our lives and have run cattle and farming enterprises for over 30 years. We have seen so many changes throughout these years and understand how seasonal variances and conditions can affect both farming and cattle management within. We decided to still operate as TopX North Burnett to assure the guarantee of prompt payment and financial structure of the business.

TopX North Burnett own and operate the Eidsvold Saleyards, conducting a Store & Prime Sale every fortnight in conjunction with the Monto Cattle Sale. By running on the same day as Monto it enables the buyers to access a greater number of cattle thus creating a better selling and buying environment for both parties.

Most of the staff have continued to work for TopX North Burnett over the last six months and we appreciate this continued support. We would also like to introduce Cameron Bygrave, who has started a full-time position with us as a Licensed Livestock Agent and Auctioneer. Cameron will be working under the guidance of our permanent auctioneer Luke Hopkins. Cameron has joined TopX North Burnett after 18 months of working for a livestock agency in Roma under Steven Goodhew of PJH Livestock & Property. During his time at PJH, Cameron conducted private sales, as well as drafted and assisted with the auctioneering twice weekly at the Roma Saleyards. We are sure he will be a valuable addition to the team.

We feel we have hit the ground running and this venture is a long-term project for us as we aim to service livestock marketing requirements of the people in our region. Not long after we took over we conducted two bull sales (The Eidsvold Charolais & Greenup Eidsvold Station Bull Sales) and have now held 12 fortnightly cattle sales. Every sale is different with numbers and seasonal conditions varying, however we are always working towards the best sale results we possibly can.

FEBRUARY 2018 NEWSLETTER

L-R: Eleena Wolff, Trish Bygrave & Rob Bygrave at the Annual TopX Conference

Quality Brahman Steers sold through TopX North Burnett Eidsvold Saleyards

The TopX North Burnett team in action!

Since taking over the Eidsvold Saleyards we have revamped the Bull Selling Complex and replaced various sections of the yards according to priority, as well as replacing the remaining poly troughs with concrete troughs. Some storm damage over the Christmas break gave us the opportunity to enlarge the shade shed over the head bale and cattle mousing area. The latest upgrade is a new five way drafting pound and vendor painting facility for better handling conditions for both staff and cattle. It is still early days, but it seems to be working very well.

We are keen to keep the Eidsvold Saleyards a well maintained and continuously upgraded community site and over time you will see continued improvement within.

Over the next few months we will endeavour to get out and about to meet all our valued clients. We look forward to working with you to build up a bigger base of clients, with the prospect of better sales, returns and service to the people. Please don't hesitate to contact us about any of your livestock and property marketing requirements.

Services We Proudly Offer:

- *Fortnightly Store & Prime Sales at our EU Accredited Saleyards*
- *Paddock Sales*
- *Private Dipping, Weighing & Scanning Facilities*
- *Meatworks Consignments*
